Confirm & Register Online

If you are unable to attend, another co-author may present the abstract on your behalf.

In this case, please send us the abstract reference number together with the name and email address of the replacement presenter.

Please note that:

- **No additional authors can be added now that the review process has been completed**
- **As the sessions are currently fully booked, any request to change your schedule will be placed on a waiting list and can only be considered should a cancellation occur in another session.**

We strongly recommend booking your accommodation as early as possible. Accommodation information is available on the [Congress website](#).

The [Real Time Scientific Programme](#) is available online and will continue to be updated regularly. You will soon be able to consult your final presentation schedule.
